

## Information about the choice of language before ht2018 on Hedda Wising School

Now is the time to do choice of language before start in grade 7, for students who soon ends in grade 6 at Brännaskolan or Gerestaskolan. Here is everything you need to know before language selection. The choice must be made by sunday 18<sup>th</sup> of March.

### Choice of language

§ 5 According to Chapter 10. § 4 of the Education Act (2010: 800), there should be a choice of language.

The operator should as a language choice offer at least two of the languages French, Spanish and German.

The organizer will strive to additionally offer other languages as a choice of language.

§ 6 A student gets instead of a language choice that offered according to § 5 to select one of the following language as a language choice:

1. the language that the student should be offered mother-tongue teaching,
2. Swedish or Swedish as a second language, provided that the student is otherwise receive instruction in Swedish or Swedish as a second language,
3. English, or
4. Sign Language.

§ 7 The operator is not obliged to provide teaching in a language that is offered as a language according to § 5 second paragraph and § 6 of fewer than five students choose the language. This does not apply if the language referred to in § 6 1 are a national minority.

All students must be from the school year 7, in addition to English, learn another language. Härnösands 7-9 schools offer three languages, French, Spanish and German for the fall semester 2018. If one for special reasons, can not read another language, besides English, it is important that you speak with your mentor / teacher. The alternative is when you read Swedish and / or English as a strengthening of the two languages.

For the school to be able to plan the language of choice for the academic year 2018/19 students are obligated to do an expression of interest. This is done via a web form - [click here](#) to open the online survey or enter the following address in order to fill in the notification:
